4-33 **Bay City**—Sunday work and sickness have hindered attendance some, but otherwise the work here is coming along nicely. Interest is good.

Last Sunday, December 6th, was our first anniversary. Bro. Robert Lyles, of Flint, preached the sermon and gave us a wonderful lesson that was deeply appreciated by all present. At the close of the meeting Bro. James Kirk called the brethren together to consider the future of the church. It was felt the time was near, or at hand, when he should be looking forward and planning a permanent location and home for the church. Nothing definite was done, but the matter was taken under consideration, and another meeting will be called in the near future when it is hoped some definite objective may be planned.

Our ranks were depleted for the first time Sunday, December 6th, by the death of our beloved sister Ann M. Hopton, one of the charter members of the church in Bay City. Sister Hopton was 65 years of age, and leaves a number of children and grand children to mourn her departure. The remains were taken to her old home near Ozark, Ohio, for burial.

Phoenix, Ariz.—Robert Bell, formerly a Detroit boy, is living in Phoenix, Ariz., and preaching in Coolidge, a small town nearby. This church puts in an order for a bundle of papers.

C. B. Thomas, 1610 Lawn View St., Corpus Christ, Texas.—Brother John T. Smith of Waco, Texas, recently helped us in a meeting here at Central. Three were baptized, three restored and seven placed membership. Since the meeting five have placed membership, two restored and three have been baptized. The Lord willing, I will help the Zimmerman St. Church in Flint in another meeting in May of 1943.

R. C. Oliver, Grand Rapids, Mich.—I just closed a fine meeting with the River Rouge congregation. Interest good and four additions by baptism. The work here goes about the same. We are losing several members by removal. If you know of anyone moving into Grand Rapids, let us have their names.

Booneville, Ark.—Dear Christian: This is to acknowledge receipt of 50 copies of The Gospel Way, to be used in the work in the State T. B. Sanitorium here. Your continued support is desired. — Brotherly, Voyd N. Ballard, minister of Church of Christ.

Lansing.—The Church of Christ, at 921 W. Mt. Hope St., is pleased to announce that it has secured the services of Brother Homer C. Winnett, of Meridian, Miss. Bro. Winnett has moved his family to Lansing, thereby becoming the only Gospel preacher in this city. The work here continue with interest.

Some Mistakes of Some Preachers

(Continued from page 7)

Church just like you find the true God. You find, become acquainted with, the true God; through His written word—the Bible. Just so you can find the true Church by using this same method. When you find a Church that is using the Bible as her measuring reed, measuring both her worship and her worshippers by the Bible, you can safely accept that Church as the Church of the Bible.

I intend to continue this subject, in a series of articles. If I have not made myself plain on any point, I will be glad to consider any question that you might wish to send me, in reference to this subject.
