If you are interested in your soul's salvation and wish to spend eternity in the home that Christ has gone to prepare for His loved ones, then come and hear the gospel. Search the Scriptures. We plead for primitive christianity as perfected by Christ and His Apostles. Where the Bible speaks, we speak, where silent, we are silent. We want you, not yours.

Our motto---"Only a stranger once."

You say eventually, we say why not now.

COME, YOU ARE WELCOME.

All Seats Free.
