

Michigan Special Education Directory Information Request Packet

The Michigan Special Education Directory, published by the Center for Educational Networking (CEN), should contain all key administrative personnel related to special education within the particular organization below. Please help us update the directory for the 2002-2003 edition. Carefully review this packet and return it using the enclosed self-addressed envelope or fax to us at: 517-541-1351.

Directions

1. Review all information below and on additional pages, correcting errors and making necessary changes (e.g., change of name, incorrect address, misspelled names.)
2. Fill in any missing information; write "NONE" where information is not available.
3. If a person should be removed, indicate by checking the "REMOVE" check box on that person's page.
4. If an individual's form is correct and you have no changes, please indicate by checking the "CORRECT AS IS" check box on that person's page.
5. Please use the enclosed blank Personnel Information Form to add new individuals (e.g., principal of a new special education facility). Use one form per individual.
6. As the person filling out these forms, please fill in your name and phone number below in case we need to contact you.

Return this packet to us by Friday, June 7, 2002. If we do not receive your completed packet, the 2002-2003 directory may not have the current information for your organization. Of course, we ask you to send us updates, as soon as they occur, throughout the year.

If you have any questions, please call Teri Bullock at CEN, (517) 541-1318 ext. 4 or (800) 593-9146 ext. 4.

Thank you for your cooperation.
