Michigan Christian College Is Your Opportunity!

If you would like to play basketball, star in a college play, sing in the chorus, become a class officer, work on the college yearbook, be a cheerleader, serve in a special Share Group, chat with a teacher about your personal plans, talk to the college president . . . your best opportunity is with us at Michigan Christian College.

In four year colleges, many of these opportunities go to upperclassmen. We don't have any upperclassmen to root you out of these personality-building experiences. When you do move on to a four year college or university, because of your experience you will have the edge on the other upperclassmen.

● **An Extended Family** — At our College you will have a rare opportunity to develop your personality within a strong family atmosphere. Students, faculty and staff will greet you by name. We know you. We care about you. The friends you make on our campus will enrich you for a lifetime.

● **Our Extra Dimension** — You can study history, literature or mathematics at any one of 2,686 colleges or universities in the country. All of us still teach that two plus two equals four. We all still insist that a pronoun must agree with its antecedent in number.

But at MCC we offer an extra. Here we own Christ as our Leader. We cannot be less than a college; nor can we be less than Christian. If you yearn to walk closer to the Lord, you will appreciate our campus, where each person is daily urged to find greater favor with God.

● **Enhanced Personal Options** — Perhaps you have thought of attending a senior college in order to get a wide range of class selections and teachers. Likely you would find that a basic "core" is required your first two years, with limited opportunities to choose courses or teachers.

MCC offers you that basic "core" as well as electives. You may transfer as a junior to many colleges without

loss of credit. Our students have moved on to over 70 colleges and universities around the nation most successfully.

Oh yes, if you choose our college you won't be shunted off to a class taught by a graduate assistant. You get the best, like you deserve, from day one.

● **Strategic Location** — Rochester, a quaint little community in greater Detroit, is our home. We have the cultural, educational and entertainment advantages of one of our nation's largest cities while enjoying the privileges of suburban living.

You will be far enough from home to insure personal decision-making and yet close enough to visit back home when you have the desire.

● **Hefty Financial Opportunities** — Dad was right. Money doesn't grow on trees. It is hard to get . . . and harder to hang on to.

Since we are eager to attract you to MCC, we will help you develop a financial assistance package that will enable you to attend. About 70% of our students are receiving some type of financial assistance.

Michigan students with financial need may secure a scholarship or grant from the State up to \$1,200 per year. Non-Michigan students may be eligible for our special Out-of-State Tuition Award of up to \$800 per year. These programs can be combined with Federal loans, grants or work contracts to meet your full financial need.
