

## *Please say "Yes" when we call you!*

In a few weeks we will be telephoning to ask for your help. We call it "Salary Sharing" time and we will be asking that you share a small portion of your salary to help Michigan Christian College continue its vital role of service to our youth and to the Church of Our Lord.

Michigan Christian College is on the threshold of one of the most exciting growth periods in its history. Student enrollment is up dramatically over last year and the caliber of the faculty and academic programs is the best we have ever assembled. And of course, we are awaiting final approval of our BRE degree program, one which will have a great impact upon the growth of the church in the Midwest.

So, when you receive our call, please say "Yes" with your pledge of \$10, \$20, \$30 per month, or whatever you can afford.

Milton B. Fletcher  
President

## *The State of Michigan now helps you give to MCC*

Did you know that you can divert some of your tax dollars for the support of Christian Education? Yes, the Michigan Income Tax Credit can be used to support any of the 97 colleges in Michigan. Thank God we have a Christian college in Michigan and that the state will let you use part of your tax dollars to support it.

Most Christians in Michigan can give \$200 to \$400 per year to MCC and take half of their gift directly from what they would have paid in Michigan income tax. If your Michigan income tax for the year totals \$600 you can choose to give \$120 to MCC and cut your tax bill to \$480. To do this, you would give MCC \$240 during the year and claim half (\$120) as a credit when you file your tax returns. If payroll deductions

have already fully paid your taxes, the state will refund you \$120.

If your total Michigan tax is \$1000, you can give \$200 of your tax to MCC, cutting your tax to \$800. If your Michigan tax is \$300, you can give \$60 of it, (20% of your Michigan tax, up to a maximum of \$200 for a couple). To determine how many tax dollars you can direct to Christian Education, check line 16 of your 1979 State tax return . . . assuming this year's income will be similar.

Since Michigan is encouraging us to support Christian Education, please resolve that you will divert every tax dollar possible to support Michigan Christian College.

ATTENTION: President Fletcher

***Christian Education is Living  
... as God Planned it!***

It is training to develop every talent to its highest potential! It is an atmosphere that encourages building Christian friendships for life. It is learning to live with Christ at the center of every thought and action, even in a secular world.

Christian Education prepares leaders for Christian homes, leaders for the church, and leaders for the "righteousness that exalts a nation"!

Because midwestern Christians support MCC, the cost of a Christian Education is kept within the reach of every youth who seeks it.
