ACADEMIC VISION

Through our mission we affirm that:

- A Christian education demonstrates that a vibrant faith compels a life of private virtue and social responsibility
- A quality education stresses excellence
- We will nurture and incarnate a Christian worldview
- An educated person:
 - Reveres God
 - Is able to connect coherently the truths of God with the wisdom of humanity
 - Views vocation as an opportunity for service and stewardship
 - Possesses a lifelong desire to grow intellectually and spiritually

ROCHESTER COLLEGE MISSION & VISION

Our mission is engaging students in a vigorous liberal arts education within a Christian community for a life of study and service. Such engagement will lead to a College that values excellence, the pursuit of truth, and service. We are an academic community characterized by the fellowship-creating reality of Christ's presence in the world.

ACADEMIC VISION

Our Goals:

- Establish a learning community where scholarship is valued
- Create a Christian community where service reaches beyond the College community
- Develop a highly credentialed, diverse faculty that values teaching and scholarship
- Attract and retain outstanding students
- Design buildings that serve an academic community
- Provide quality interaction between faculty and students
- Support activities that promote a global awareness among the campus constituencies
- Begin graduate programs in selected areas
- Establish an endowment to support the vision statement
