Subject: RE: Curriculum Review of the Court Reporting Program

Myrtice,

Generally the Credit Hour and Degree Trends are the only reports we provide to the CRC. Additional reports (such as those you listed below) are not in the scope of work. To do an extensive community / labor market analysis would take approx 8-12 weeks to complete.

With that being said, earlier this year, there was a Program Assessment for Conference and Court Reporting. I have attached the report, in hopes that it will cover a majority of your questions and give you more context.

Hi Eleanor:

In addition to the Credit Hour and Degree Trend Reports that your office will be preparing for me, do you also provide reports that summarize input received from the external community, specifically employers and former students, as well as job performance requirements and labor market trends?

If the additional reports are not part of what you had planned to put together, I would like to request these as well. If you need any information from me, please let me know.

Thank you,

Myrtice

Subject: CRC data for CRC

Good Afternoon Dr. Bob,

I was trying to resume my data gathering for the next Curriculum to be reviewed and ran into a stumbling block. The Program/Discipline is listed as CRC. The only thing I can find under that code is Community Recreation from the late 80's and I don't think that is what you had in mind. Would you clarify which program you are going to review? Conference and Court Reporting maybe?

Thanks,

Gail M. Foster

Trends over a specified period of time are illustrated by the following graphs for Conference & Court Reporting (COU)

- Ten year trend showing the annual awards conferred in Conference & Court Reporting
- Rate of change in annual awards conferred in Conference & Court Reporting
- The three year Moving Mean for annual awards conferred in Conference & Court Reporting
- Ten year trend in awards conferred collegewide.
