WEST BRANCH, Mich. — On August 2 Rupert E. Warren became the first full time evangelist of the congregation at West Branch.

The congregation had its beginning in 1953 as services were conducted in the Hughes home. Since that time they have acquired a building and own three lots on Highway 30.

Warren is a native of Kentucky and received his education at Murry State College, Murry, Ky.; University of Kentucky, Lexington and Wayne State University in Michigan.

A great deal of his work has been done in Michigan where he has labored with the congregations at Adrian, Lennon Rd. in Flint, Westside Central and East Side Central in Detroit and Melvindale.

Lennon Rd. made the arrangements for the Warrens to move to West Branch. They are being assisted in their support by North Central in Flint.
