### BAY CITY CHURCH OF CHRIST

C. B. Clifton developed a print shop in Flint that published The Christian Visitor, which was sent to church people throughout the state to keep them informed on the local work of the Lord. Clifton printed this flier for the Bay City Church of Christ, likely for distribution to neighbors and friends in 1946. The church stayed in this funny looking building a few years until they could build in a better location. Gordon French grew up in the Ludington, MI church and served several Michigan congregations until his death in 2003. He was the first permanent caretaker for Michigan Christian Youth Camp and the Lapeer church began in his home.
