Dear Brethren:

"LET THE BIBLE SPEAK" is the name and concept of a new radio ministry that the Highland Church has begun. The five-minute program is aired on station WMUZ at 103.5 FM each evening at 7:30 Monday through Thursday, and at 8:30 each Friday evening.

The purpose of this letter is to ask that you help us to "noise abroad" this information in every way that you can. Our intent in presenting this program is to present what God's word says about the church and salvation, and hopefully encourage more diligent study of the Bible on the part of the general public.

May God give us much fruit in His vineyard as we together toil on.

Yours in Him,

Kent Sutherland
