5. Faculty are advisory, non-voting members of the committee

Selection Process for Faculty Representatives on Academic and Associate Dean Searches

1. Each discipline in the division meets to select its faculty representative. Each representative satisfies the following criteria:
 - a. Respect of peers
 - b. Teaching excellence
 - c. Mastery of relevant subject area
2. Each discipline forwards representative name to the vice chancellor of academic and student affairs and the college senate chair.
3. Senate votes to confirm two representatives from the group forwarded by disciplines.
4. The college senate chair forwards confirmed representative names to the vice chancellor of academic and student affairs.
5. The vice chancellor of academic and student affairs reviews the senate-confirmed faculty representative names and makes final selection for the committee.
