RE: DALNET

Dear Louise:

I haven't heard from you since we attended the DALNET meeting on Thursday, February 7th. I asked that you provide me the names of three individuals to act as the interim trustees so that we could prepare and file Articles of Incorporation. I have a draft of the Articles prepared but need those names.

As soon as I have this information I will complete the Articles and send them to you for routing to obtain signatures. If you could call my office at your convenience that would be fine.

Sincerely,

SEYBURN, SMITH, BESS,  
HOWARD, KAHN AND HARNISCH, P.C.
