Re: DALNET Project

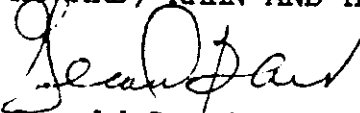

Dear Mr. Kiley:

Thank you for your letter of February 28, 1985. I concur in your review of our conversation.

I just want to reemphasize that our office is ready and waiting to get started on the project upon your receipt of approval from the other DALNET members. Please call me if you have any questions.

Sincerely,

SEYBURN, SMITH, BESS,
HOWARD, KAHN AND HARNISCH, P.C.
