

Academic Senate Leadership Report

2/20/14

Senate and Academic Planning

- Two meetings with Interim Vice Chancellor Cathey Maze on Senate's roles in developing, implementing, and responding to academic planning
- New steering committee will be formed to oversee the Educational Master Plan.
 - Chaired by Cathey Maze and composed of implementation team administrative leads
 - Senate College Chair will be invited to serve on committee
- Further Senate involvement is still being negotiated, including what roles a standing committee of the Senate might serve.

Data Ad Hoc Committee Report

- Senate leadership has extended an invitation to Institutional Research and Curriculum and Student Learning to meet and review the findings of the report.
- Senate leadership thanks the ad hoc committee for performing the task assigned to it.

New Employees and Senate Orientation

- The Senate college chair will be invited to attend PDTC's new faculty orientation again.
- The "meet and greet" work group has suggestions for a social event outside of the new faculty orientation.
