Dear Tom:

We are very pleased to confirm DALNET's intent to work with Ameritech Library Services, as outlined in the proposal dated, May 16, 1996, to position DALNET as a metropolitan information hub.

Given our complementary visions and nature of our organizations, it is more than possible that we shall be making information management history, and the success of our partnership in the development of the proposal bodes very well for our success!

Sincerely,

Margaret E. Auer, Chairperson, DALNET
