Michigan NOTIS Users Group Meeting -- MichNUGM 96
Eastern Michigan University
Thursday, June 6, 1996

General Information

The 1996 Michigan NOTIS Users Group Meeting (MichNUGM 96) will be held at Eastern Michigan University on Thursday, June 6, 1996. Tom Quarton, president of Ameritech Library Services, will deliver the keynote address. A presentation on ALS's Horizon system will be given by Bill Easton and Tom Burns of ALS. The afternoon will offer a selection of breakout sessions, including a general overview of NOTIS LMS 6.2 by Ben Schapiro of ALS, and a tutorial on migration planning by Bill Easton and Tom Burns.

There will be a pre-conference workshop on LMS 6.2 Circulation held at Grand Valley State University on Wednesday, June 5. This all-day session will be conducted by Ben Schapiro. The cost will be $100.00 per person.
