MICHIGAN CHRISTIAN COLLEGE

JUNE, 1968

MCC APPOINTS EIGHT NEW BOARD MEMBERS

With the addition of eight new members, the Michigan Christian College Board of Trustees now numbers twenty three. The Board meets regularly, as above, once each quarter during the year and is often called into special session.

BOARD NOW NUMBERS TWENTY—THREE

During recent meetings of the MCC Board of Directors, eight additional men were recommended and subsequently approved for Board membership to bring the total number on the board to twenty three. The potential growth and expanding development of the college demands the services of many individuals of varying personalities and abilities.

Chairman G. Wheeler Utley, upon receiving the acceptance of the Board's invitation to membership from the persons asked to serve, expressed deep appreciation for their willingness to help the cause of Christian education at Michigan Christian College. The most recent additions to the Board represent

the states of Michigan, Indiana and Ohio.

Eugene W. Brock is a native of Peekin, Indiana is but now associated with the Guide Lamp Division of General Motors in Anderson. In 1947 he recieved the BSEE degree in electrical engineering from Perdue University and completed his MSEE degree in the same field at Ohio State University. He and his wife, Imogene, have two sons, Jeffrey (17) and Ronald (7).

Orval Clubb and his wife Rebecca have lived in Flint, Michigan for over forty years. They have two children, Carl Hanson (30) and Barbara Ellen (20). He is an elder of the Northwestern Church of Christ in Flint and has

been office manager of the Peoples Furniture and Appliance store in that city for several years.

Bill W. Cooper was born in Sudan, Texas but now resides in Dayton, Ohio with his wife Anne and four children, Linda (17), David (15), Cynthia (13), and Phillip (10). He is an alumnus of Abilene Christian College and enjoys flying as a hobby, using it also to good advantage in his many business interests. He is a member of the Huber Heights Church of Christ in Dayton.

Kirg Hendrix, now of Grosse Ile, Michigan, was born in Lynnville, Tennessee. He and his wife Kathleen have

Michigan Christian College had its beginning in an informal meeting of Christian men of the Detroit area in the spring of 1954. In September of that year a nine man Board of Directors was chosen. Many of these original men still serve, including the entire Executive Committee. The Fall of 1968 marks the beginning of the Board's fifteenth year of service.

They determined to establish a private, co-educational junior college offering standard work in the liberal arts and sciences undergirded by a daily Bible course for every student. Thus Michigan Christian College was established, a non-profit corporation under the laws of the state of Michigan.

"ON COMMITMENT TO TRUTH"

MEMBERS GIVE MANY HOURS TO MCC

Members of the Board of Directors serve without salary and, in addition to contributing financially toward many projects of college operation, pay their own travel expenses to board meetings and other functions on the campus. Many have served since the beginning, including the officers which make up the Executive Committee. The longevity of service, in years on the board, and the innumerable hours spent in session by these men manifests the stability of this group of directors.

It takes a certain kind of great man to serve any cause when there is little recognition from those who benefit the most, when there is never any personal financial gain involved, when great demands are made upon his time and financial ability to give, and when such service burdens him with grave responsibilities. On these pages MCC gratefully gives honor to just such men.

Newly appointed Board members R.L. Rummel, Orval Clubb Eugene Brock, and Bill Cooper hear about expansion plans for the Rochester community and the influence of such growth on the college from President Palmer (c) and Vice President Hetcher.

Interested In All Good Works

The men who serve the college on its Board are in demand to serve in other areas of Christian work. In addition to leadership in their respective church, several are actively interested in Youth camps, orphans' homes, homes for the aged and other areas of human service in church and community related activities.

MCC is grateful for the honor recently bestowed upon Harold Hawley by Michigan Christian Youth Camp when the new all-purpose building at the camp in Attica was dedicated "Hawley Hall" in honor of Harold Hawley's many years of service to young people.

Many of these men serve as elders in the church and lead in mission and benevolent activities throughout the world.

James Thomas (r.), MCC Board Vice Chairman, accepts a plaque in recognition for his work and interest in behalf of homeless children. J. Robert Utley, member of the Board of Directors of Shults-Lewis Children's Home in Valparaiso, Indiana, makes the presentation.

AUXILIARIES AID THE BOARD IN VARYING CAPACITIES

The picture above was taken April 20 when representatives from the Ladies Associates, Men's Club, Preachers Advisory Committee, the newly formed MCC Representa-

tives, MCC Alumni Association, and the Teenage Boosters met for the first annual report meeting with the Board of Directors on the MCC campus.

During a break at the April 20 Report Meeting with the Board of Directors, the officers of the Ladies Associates conducted some "business". This attitude of making every minute count for MCC has resulted in their raising almost \$50,000 for the college this year. Seated (l. to r.) are Mrs. Mary Monroe of Detroit, Mrs. Mary Utley of Rochester, Mrs. Mildred Freeland of Royal Oak, 1967-68 Associates President Mrs. Betty Huckaby, and Mrs. Hester Davies of Detroit.

The Men's Club is increasing in effectiveness every year. 1967-68 has proved to be the best year of all for the club. It exceeded its Budget of 17,000 and increased the amount to be raised in the coming fiscal year. Seated above (l to r.) are J. R. Utley of Rochester, Paul Watson of Toledo, Richard Hahn of Royal Oak, '67-68 Men's Club President Bill Smith of Toledo, President-elect Hwy Waites of Dearborn, and Robert Peterson of Dearborn.

AUXILIARIES AID

THE BOARD

The importance of the several auxiliary groups to the overall development of Michigan Christian College can not be over-stated. The members of the Board of Directors continually express appreciation for the work of these tireless people who also work without pay and who are among the most generous financial supporters of the college.

The MCC Alumni Association grows each year in size and influence for the good of the college. Vice President Clifford Nicks and President John Whitwell are shown above during one of their visits to the campus.

four children, Kenneth (25), Curtis (23) Michael (17), and Carolyn (11). Kirg is the President of Downriver Mechanical Incorporated and is a member of the Trenton Church of Christ.

R L. Rummel is self-employed with several interests in Toledo, Ohio where he lives with his wife, Iola, and two children, Roger and Sue. They worship with the Whitney Hills Church of Christ.

Morton T. Utley is the Vice President of the Jefferson National Life Insurance Company in Indianapolis and an executive of several other corporations in the east. Mr. Utley is an Alumnus of Abilene Christian College, Washburn University of Topeka, Kansas, the University of Louisville and the University of California. A native of Cordell, Oklahoma, he and his wife Corinne have two children, Jan (26) and Dee Ann (24). For relaxation from a busy schedule, he plays golf and tennis. In addition to his abilities as a business man, brother Utley is also a very capable gospel preacher.

Dr. Paul Wenzler completes the list of eight new board members. He was born in New Albany, Indiana and received his formal college training at three universities. He attended the university of Louisville and finished the A.B. degree in Zoology at Indiana University in 1950. He completed his course work and dissertation at Indiana University, receiving his doctor of medicine degree in 1954. His internship was done at the Edward Sparrow Hospital in Lansing, Michigan and served as Commander of the Base Hospital at Ethan Allen Base in Burlington, Vermont from 1956-1958. He and his wife Nancy Louise have three children Michael (14), Richard (13), and Cheryl Ann (6). They are members of the North Central Church of Christ in Bloomington. His hobbies are swimming, golf, and fishing.

Each of these men bring years of valuable experience and fine talents to the MCC Board of Directors. The college is grateful for their willingness to so serve.
