1968 Lectureship "On Commitment To Truth"

11th Annual Series Slated for October 13-17

The eleventh annual Bible Lectureship at Michigan Christian College will begin at 7 p.m. on October 13 in the auditorium of the Rochester Church of Christ located a few hundred yards from the college campus.

Dale Smith, of Elkhart, Indiana, will deliver the keynote lecture at 8 p.m. on the subject "The Author of Truth". General theme of the week's lecture series is "On Commitment to Truth". Dan Woodroof, Associate Director of the Lectureship, said, "In an age when eternal truths are being challenged on every hand, when the first principles of the gospel and the simplicity and purity of Christ are thought to be out of date, the Lectureship Committee considers this year's theme to be challenging and timely."

Chapel speakers include Norman Adamson, minister for the Stoney Island church of Christ in Chicago and Carl Matheny, missionary to Beirut, Lebanon for the past seven years.

In addition to Dale Smith, other evening speakers are Maurice Hall of Wichita, Kansas, Stanley Shipp of Abilene, Texas, Virgil Trout of Oklahoma City, and Jimmy Allen of Searcy, Arkansas.

Clyde Balderson, former MCC faculty

member, will again be teaching the 9:15 a.m. class each day. Charles R. Brewer is scheduled each day at 11 a.m. with both men and women invited. At the same hour, Mrs. Peggy Morton of Vinewood, Michigan and Mrs. Bell Parsons of Lincoln Park, Michigan will conduct a class for women on "Teaching the Truth More Effectively".

Special sessions at the daily Luncheons will feature Virgil Trout in an open forum relative to Science and the Bible. Charles Brewer will be the featured participant at 2 p.m. daily on a "Know Your Bible" quiz panel patterned after the award winning television program in Nashville, Tennessee of the same name.

At 7 p.m. on Monday and Wednesday, programs of interest to all will include a variety musical program and Charles Brewer "On Stage" with readings and poetry.

Jesse Long, President of Greater Atlanta Christian Schools in Atlanta, Georgia, will be the featured speaker on Thursday at 6 p.m. for the Teenage Program of the Lectureship. Dr. Joseph Jones, Academic Vice President of the college, has planned a fine program for this hour.

ABOUT THE THEME

By E. Lucien Palmer

The Fall Bible Lectureship this year has been developed around the theme, "On Commitment To Truth." This theme was selected because we believe it to be timely, as always, and a theme which demands the attention of all honest people in our day of unrest.

Our brotherhood is disturbed. This is evident to all knowledgeable and thoughtful people. Many are already being classified, willingly or not, as either "liberal" or "conservative" even without adequate definition of these terms. It is certain that some, if not already, will become confused and discouraged to the point of giving up and taking leave.

It is hopefully thought, however, that we will have the ability and the faith to live with a commitment to truth which will keep us firmly anchored to the word of God. We should not throw away that which is old because it is old. Neither should we reject everything that is new simply because it is new to us.

We must communicate with the lost, but we dare not lose our perspective in a maze of dialogue. We must communicate the truth to the saved, too, but we must not impoverish the people of God with a view of retrospect only.

Our sacred trust is to communicate the word of God to the world, but as "vessels of honor" we must keep the message pure. As we speak we must "speak as the oracles of God". An understanding of truth and a commitment to it will enable us to maintain a proper balance in life. It will keep us from going off on tangents and from becoming so entangled with all the side issues that they become the main issues.

We must be committed to knowing the truth, speaking the truth, and living the truth in order that we might be rooted and grounded in the truth and, thus, grow up in Christ in all things.

You are invited, therefore, to attend this eleventh annual Bible Lectureship as much as you possibly can. Your presence will assist greatly in the success of this series.

October Brings Harvest Festival, Bible Lectureship

The Detroit area Preachers' Luncheon for October is held on the MCC Campus each year on the Monday of Lectureship week. Virgil Trout will be the guest speaker this year.

MCC CAMPUS COMES ALIVE

About the time the furor of Registration and reunion of returning students dies down, the campus will be invaded by Michigan high school seniors and their parents on September 28. Then October brings to campus the Annual Fall Festival on October 5 and the Annual Bible Lectureship October 13-17. Within the span of three weeks, thousands of visitors enjoy the fellowship and wholesome activities which take place on the picturesque campus of MCC.

A growing tradition at MCC Lectureship is the appearance of Charles R. Brewer. Above, he is shown doing one of his famous readings. He is scheduled again this year.

The Annual Silver Tea is scheduled for Tuesday afternoon from 3 - 5 p.m. It is sponsored by the "W"-Club and Faculty Wives of MCC. Both men and women are invited to attend. Donations to the "Wishing Well" are used to provide scholarships for qualifying girls.

The Harvest Festival Parade through downtown Rochester begins the activities of the Annual Fall Festival. This year the date is October 5. MCC student clubs also enter floats in competition with the various auxiliary groups of the college.

Sonja Temple (above) of Dearborn, Michigan will ride the Queen's Float this year.

ON SEPTEMBER 28

MCC TO HOST MICHIGAN PARENTS - SENIORS

This announcement can mean gifts from the state of from \$200 to \$1,000 a year to Michigan residents who want to attend a private, Michigan college.

Most high school seniors and parents in Michigan are unaware of the financial aids available from the state in the form of scholarships and grants. This is not to mention state and federal educational loan programs available also.

MICHIGAN PARENT-SENIOR

DAY on September 28

is, therefore, a very important date for 1969 graduating Michigan high school seniors and their parents.

A full day's program of information sessions is planned. All seniors and parents will be guests of the college for lunch and musical program.

The several financial aids that are available to Michigan residents will be fully explained. Application blanks and detailed information will be distributed to all who attend this first annual MICHIGAN PARENT-SENIOR DAY at MCC. The early date of September 28 was made necessary because application for some of these financial aids must be made on or before October 4, 1968 in order for students to receive the aid for the 1969-70 college school year.

NOTE TO OUT-OF-STATE HIGH SCHOOL SENIORS

The annual MCC Senior Day was scheduled for November 9, 1968. High School Seniors of Ohio, Indiana, Illinois, Wisconsin, and other outlying states are invited to attend the annual MCC High School Day scheduled for February 22, 1969 since Senior Day on November 9 has been cancelled.

The MCC Chorus (above) is shown in one of the many and greulling recording sessions which resulted in the fine album "Folk Hymns". Paul Downey directs.
