Their future is important . . .

WINTER

While you're inside more for the winter, how about doing your student friends a favor? You probably know some high school seniors.

To better acquaint them with the potential of attending a Christian College next fall, drop us their names. Open doors are waiting for them at MCC.

- *a fully accredited academic program emphasizing personalized instruction
- *generous scholarship and grant opportunities
- *a friendly, Christian atmosphere on one of the most scenic campuses operated by members of the Churches of Christ

Spring and graduation are around the corner. Help us help your students by dropping the card below in the mail today. Then encourage them to attend MCC. The result is often eternal!

YES!

I am interested in the future of these students. Please join me in acquainting them with the opportunities of MCC!
