## “ . . . practice sharing . . . ”

Nancy's two beautiful years at your college were made possible by Christians who “practiced sharing” so that salaries could be met.

A modest cost of living salary increase has been granted this school year. To give this increase and to meet new faculty salary costs, I am searching urgently for \$60,000. Five hundred of God's people sharing \$10 a month would do it, or it could be a combination of some giving more and some less.

Paul taught: “. . . be generous givers . . . practice sharing . . .” (1 Timothy 6:18, Berkley). Will you “practice sharing” some of your salary so that your college faculty and staff can have a salary this year? When you are called by phone for your Salary Sharing pledge, please “practice sharing” by saying yes.

*Don Gardner*

## '78 — THE YEAR TO WAIT UPON THE LORD

Our Theme Scripture this year is: “*And they that wait upon the Lord shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; and they shall walk and not faint.*” (Isa. 40:31)

As God's people we are active - flying, running, walking - but having given our task our best lick, we wait for God to hear our prayers . . . and for Him to give us renewed strength.

Nancy and ten dollars can do nothing. Nancy, ten dollars, and God can do anything!

### THE LOW COST OF GIVING TO GOD'S WORK AT MICHIGAN CHRISTIAN COLLEGE

Your Taxable Income	Your Monthly Gift	Michigan Tax Credit	U.S. Income Tax Savings	Your Actual Cost
\$ 8,000	\$ 5.00	2.50	\$1.10	\$1.40
\$12,000	10.00	5.00	2.50	2.50
	15.00	7.50	3.75	3.75
\$16,000	20.00	10.00	5.60	4.40
	25.00	11.65	7.00	6.35

The above examples are based on Federal tax schedules for married tax payers filing a joint return. The Michigan Tax Credit is limited to the smaller of: 50% of your gift, or 20% of the computed tax, or \$200 on a joint return. We have made the assumption that the gift will qualify for 50% credit. If as a result of the tax credit on the Michigan Income Tax you receive a refund, the refund will be taxable income on your Federal Income Tax return.
