Garden City Church Establishes Bible Scholarship in Memory of Hobart Ashby

President Milton B. Fletcher formally announced details of the establishment of the Hobart Ashby Memorial Scholarship during Lectureship Week activities.

The scholarship agreement notes that, "Because of the love for young people and for the cause of Christian education by the Garden City church of Christ . . . Because of its love and respect for Hobart Ashby, former minister and elder of the Garden City church of Christ . . . the Garden City church of Christ does hereby convey unto Michigan Christian College . . . the sum of four thousand dollars for the purpose of establishing the Hobart Ashby Memorial Scholarship."

Funds will be used to award scholarships in the Bible program at Michigan Christian College. In most cases, the scholarships will go to those who are presently preaching or who plan to preach. On occasion,

the awards will be available to elders and deacons of the churches of Christ who want to sharpen their teaching skills in the local church.

Brother Ashby died June 19, 1982 following a brief illness. In addition to his work in Garden City, he had also preached in Missouri, Mississippi, Flint, and Toledo. The governing boards of Michigan Christian College, Shults-Lewis Children's Home, and Michigan Christian Youth Camp had also benefited from Brother Ashby's service. The 1982 Michigan Missions Forum honored Brother Ashby and his wife, Mattie, for their dedication to spreading the gospel.

President Fletcher stated, "Hobart Ashby was appreciated by so many people. This is an excellent way for the Garden City congregation to continue indefinitely the work that he started. We appreciate so much their love for Christian education."

Men's Club Sweetheart Banquet February 12

The annual Sweetheart Banquet, sponsored by the Michigan Christian College Men's Club, is scheduled for Saturday, February 12, 1983, at 6:30 p.m. in the campus cafeteria.

Dawn McKamey and Tony Davis will entertain. Both are sophomores at MCC and sing with the A Cappella Chorus and Autumn. They were among the host and hostesses for last spring's *Celebration in Song*.

Good food and warm fellowship will also highlight the evening's activities.

Tickets will be available in January from Men's Club members. Cost will be \$15.00 per person. Last year, over 200 attended and the organization hopes to make this year's banquet another success.

New Computer Scheduled for Delivery

December 13 marked the date for the new Wang VS-80 Computer System's delivery to the MCC campus.

"The Wang system will be a vast improvement. The VS-80 is as extensive and modern as anything on the market," says William Fowler, Vice President for Finance. "Not only will we be able to have more access to information, but we can have it much more quickly."

The Wang system includes the computer itself, a word processing unit, and a laser printer which will print about fifteen average size business letters per

minute! It has a 256K memory with a 90 megabyte disc. "That simply means it will handle a lot of information," states Fowler.

The initial set up will equip the MCC staff with three terminals allowing several different activities to take place at the same time. With the proper hardware, the VS-80 will handle an additional 125 terminals.

According to Greg Hadfield, Data Processing Supervisor, "All of the business office records, accounts payable and receivable, and payroll, along with all of the information from the Academic Dean's office, the

admissions office, as well as development office files will be stored. This new system will allow each office to operate much more efficiently."

Information is already being stored on the new computer. The entire conversion process may take several months.

Proceeds from the Associates' Fall Festival Queen's votes were dedicated to help purchase the new Wang system, and the Men's Club has adopted financial support in their budget to aid in bringing the new computer to the campus.

Message from the President

Dear Friends:

As we approach the end of calendar year 1982, we express thanks for so many blessings. People by the thousands have measurably helped Michigan Christian College through another year — the twenty-fourth to be exact.

It is difficult to single out individuals at times, but we want to do so on occasion. Particularly at this juncture, we want to say "thanks" and "hats off" to Dr. and Mrs. Paul Southern of our faculty.

They are an unusual couple who have inspired all of us to do a better job with whatever we attempt. Dr. Southern taught for 34 years at Abilene Christian University in the Bible department, the last 19 of which he was the Bible department head. Mrs. Southern taught for 27 years in the public and private school systems of Texas and Kentucky. This academic year, they will have completed three years at Michigan Christian College. He has taught Bible, counseling, Greek, and other Bible related subjects. She has been teaching the developmental courses and Christian education courses. Both of them have also done extensive writing and publishing for various Christian publications. They have been outstanding examples of Christian teachers, and have exerted marvelous influence on all of us who are younger than they. He is 81 years old and she is 73, but you would never guess they were of these ages. In fact, when you start walking with them, you had better be in good physical condition!

Another aspect of their service is related to real servanthood. They are being a tremendous financial benefit to Michigan Christian College because they are teaching without salary compensation. All we do is furnish them a small apartment, transportation, and a small subsistence allowance. Both of them could demand rather sizeable salaries, but they are more interested in serving. I just trust that we are intelligent enough to properly appreciate their generosity. The likes of these people just do not appear on the scene every day.

Besides being of such great help to Michigan Christian College since their official retirement at Abilene in 1970, they have made a global trip encouraging missionaries around the world; five trips to Australia to teach in the Biblical studies school there; and taught at Columbia Christian College, European Christian College, and numerous camps and seminars — all without salary.

We are deeply moved because of a recent action on their part. They have rewritten their Last Will and Testament and included Michigan Christian College in their estate plan. This action automatically makes them members of our new Heritage Club which honors and recognizes those individuals who remember Michigan Christian College on a non-contingent basis in their estate plan. They, along with all members of the Heritage Club, will be presented with a beautiful 9 x 12 Heritage Club plaque, and will be invited by the President to the annual Heritage Club dinner during Lectureship Week each year.

We say again, 'hats off' to Paul and Margaret Southern. We hope they will continue to be a part of the faculty of Michigan Christian College. We, the faculty, staff, and administration, love and appreciate them, as do the students. In fact, last year, the student body dedicated the 1981-82 Totem Pole to the Southerns.

Very sincerely,

Milton B. Fletcher

The Michigan Christian College Bulletin is published by Michigan Christian College, 800 West Avon Road, Rochester, Michigan 48063. Inquiries and comments regarding this publication should be addressed to Linda Brown, Editor.

Michigan Christian College does not discriminate on the basis of race, sex, age, disability or ethnic origin in the execution of its educational program, activities, employment, or admissions policies except where necessitated by specific religious tenets held by the institution and its controlling body.

MCC Bulletin Format to Change

In an effort to increase the amount of information, yet hold down production and mailing costs, the Michigan Christian College Bulletin will assume a six to eight page format and be published quarterly beginning with this issue.

Many have commented on the more readable and informative format that the Bulletin has taken since several revisions in style have already been incorporated over the past year. As the 25th Anniversary of MCC draws near, and more and more activities are planned, the Bulletin will become an even stronger tool in sharing information with alumni and friends of Michigan Christian College.

Linda Brown, editor of the

MCC Bulletin for the past year and a half, hopes that this increase in space will provide a means to publish more in-depth and different articles to maintain reader interest.

Plans are to find a new name for the Bulletin, as well as redesign the masthead. "I would appreciate hearing suggestions from our readers for more appealing names," states Linda. "We are especially interested in suggestions which will reflect the spirit of Michigan Christian College." Readers may contact her by calling (313) 651-5800 or writing her in care of the college.

Other proposed changes include much greater coverage of alumni news. "This is one area

in which we hope to really improve," noted Linda. "In the past we have not published much alumni news simply because we have not been able to get updated information on a consistent basis. We are asking all our alumni to cooperate by completing the form we will provide in this issue." Not only will this provide a means to gather newsworthy information, but it will also help plan Homecoming and other alumni oriented events.

Human interest stories involving current and former students will also be included. Plans also call for sharing brief, informational facts regarding Michigan Christian College and its functions.

Salary Sharing Campaign Exceeds \$225,000 Goal

"We're here in the Gold Room calling about 10,000 friends of the College asking them to help the school through our Salary Sharing campaign," were often repeated words as seventy-nine callers helped raise approximately \$229,520 in pledges during this year's Salary Sharing campaign.

Fifty students and twenty-nine off-campus callers met during the fourteen nights of calling to ask for pledges to help make the \$225,000 goal. The majority of the 6,690 calls actually completed were to those who were not currently helping the school financially. Last year's campaign raised \$213,007.

The overall campaign consisted of three mailings to the college clientele and fourteen calling sessions running from October 25 through November 23. \$82,837 was committed by mail and \$146,683 was raised over the phone. The total pledges for this year's Salary Sharing campaign represented a 9.3 percent increase over last year's record breaking amount.

During the calling sessions, seven MCC students were credited with five or more nights in which they each raised over \$1,000. Carol Denton of Hartsville, Ohio; Kim Gentry of Temperance, Michigan; Karla Lutes of Farmington Hills, Michigan; Tony Russell of Detroit, Michigan; Jeff Wafer of Detroit,

Michigan; Becky Williams of Fennville, Michigan; and Clarissa Yersick of Alpena, Michigan will each receive a dinner for two at the Renaissance Center in Detroit in appreciation for their work.

Twenty three other students also had at least one \$1,000 night during the campaign. Kelly Boger, Bonnie Casey, Wanda Damron, Carol Dunn, Kelly Garrison, Cindy Harley, Vern Heiskell, Jean Hoggatt, Pam Jones, Duvon Jones, Janice Kilpatrick, Rita Lutes, Dave McClure, Kelly Moore, Cathy Neelis, Ted Piotrowski, Cliff Plummer, Kevin Sireloub, Carl Tielking, Kimber Uran, Susan Ward, Robin Weipert, and Pam Whitelaw each received dinner for two at a local restaurant for their efforts.

Other students who volunteered time to help attain the goal were Paul Carpenter, Kevin Cleary, Darlene Foster, Linda Hambrick, Dawn Hopp, Jeff Hunt, Cliff Jones, Cami Justice, Patty LaClair, Susan Loutner, Jim Lowmaster, Penny Malow, Marla Miller, Connie Nowman, Debbie Parker, Lisa Price, Paul Stinnett, John Super, Don Tate, and Paulette Wills.

President Fletcher expressed "deep appreciation for the students who participated, particularly those who helped on a consistent basis. Without their help

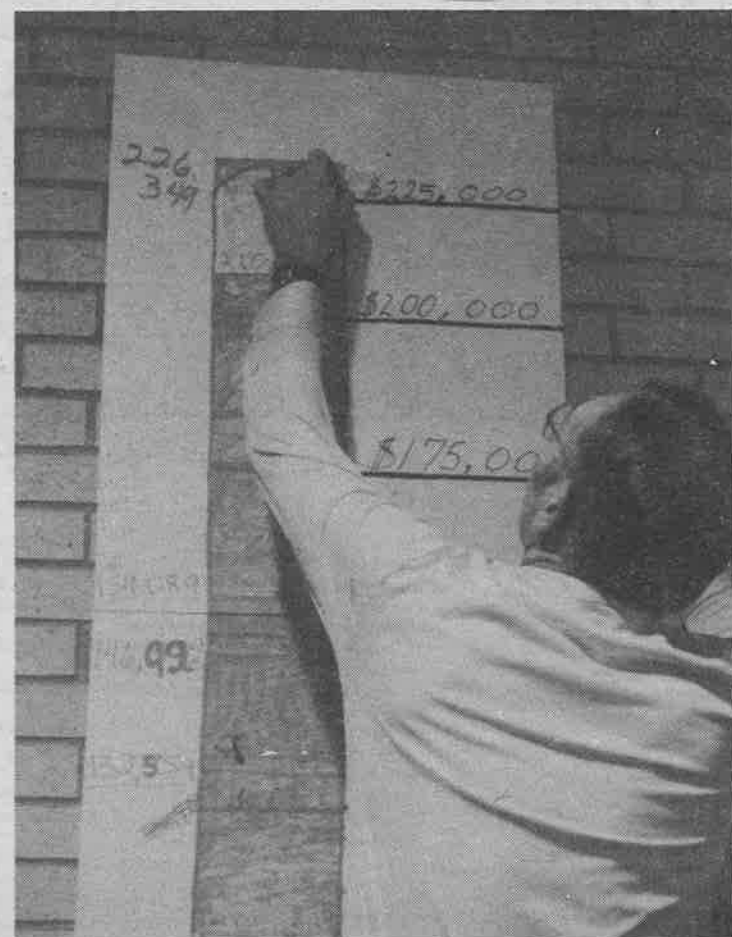

we would not have been able to make it. Not only is this a great blessing to the school, but it helps these students get a better insight as to what it takes to balance the budget."

Jesse Clayton, Director of Development, stated how delighted he was with the overall campaign. "In this economic climate, to be able to go over our goal is absolutely thrilling. I appreciate so much all the work so many people were willing to do."

Several members of the Board of Trustees challenged the callers to raise a certain amount each evening. If that evening's goal was met, those Board members would increase their pledges to the campaign. Over \$22,000 in additional Board member contributions were added to the total as the callers met the challenges.

Many contributors work for companies that match their employees' gifts. Some \$32,000 has already come to the Salary Sharing campaign alone from matching gifts. Be sure to check the information shown on Pages Four and Five for further details on how matching programs can help you increase the dollars you contribute to Michigan Christian College.

Overall, the Salary Sharing campaign was a total success with more money pledged than ever before.

Jesse Clayton registers record Phone-A-Visit pledge total.

Thank You . . .

Thanks to the untiring dedication of so many, the Salary Sharing Campaign has surpassed the \$225,000 goal.

More volunteers spent more time making more phone calls and got more response than ever before.

To all those who worked so hard and gave so generously to make the Salary Sharing fund raising drive such a huge success, we say, "Thank you!"

Many of you may be able to help divert even more dollars to Michigan Christian College. Simply check the list on Pages Four and Five to see if your employer is one of the over 900 American companies which sponsor matching gift programs for higher education. To have your gift matched, obtain a form from your company's Matching Gift Coordinator (usually in the personnel or community relations department) and send it along with your gift to Michigan Christian College.

"Christian Family" Theme Draws Over 2,000 to Fall Bible Lectureship

Over 2,000 people came to hear ideas concerning "The Christian Family" during the 1982 Fall Bible Lectureship, October 4-7, at Michigan Christian College. "A great week" . . . "good speakers" . . . "I really enjoyed being here" . . . were some of the comments expressed by those who attended.

Many came from the immediate area and others traveled from as far away as Illinois, Indiana, Kentucky, Ohio, and Tennessee to hear several outstanding speakers present lessons on building stronger homes and families in today's society.

Dr. John C. Stevens opened the series on Monday evening, October 4. Dr. Carl Brecheen, Dr. Jim Bill McInteer, and Dr. Prentice Meador were also featured speakers for the general evening sessions.

Betty Muns, a family counselor from Plano, Texas taught special classes for the ladies on Tuesday and Wednesday. John Banks, James Muns, Oliver Rodgers, Jerry Tallman, and Roger Wood also presented lessons during the week.

Several members of the MCC family were also on the program. They included: Mrs. Gene Fletcher, Dr. Milton B. Fletcher, Dr. Loren Gieger, William (Bill) Hooten, Robert Ponder, and J. Robert (Bob) Utley.

The MCC A Cappella Chorus, under the direction of Randy Gill, presented their first concert of the 1982-83 year on the closing evening of the Lectureship series.

Luncheons, Dinners Honor Special Groups

Several special luncheons and dinners were held in conjunction with the Lectureship activities. Tuesday was Preachers' Fellowship Day and MCC sponsored the Preachers' Fellowship Luncheon. A ladies luncheon, sponsored by the MCC Associates, was also held Tuesday. That same evening, the annual Preachers' and Elders' dinner took place.

Wednesday was designated as Parents' Day with four families receiving special honors. They included the Lyle Clarkes of Cass City, Michigan; the Gordon Frenches of Lake City, Michigan; the Harley Millers of Toledo, Ohio; and the Danny Harts of Mansfield, Ohio. They were recognized for

their significant contribution in sending their children to Michigan Christian College.

Thursday of Lectureship Week was Friends' Day and the day's luncheon was highlighted with the unveiling of the painting by the Artist of the Year. Former MCC President Walt Gilfilen was awarded the honor for his oil rendition of the Totem Pole on the Lake Norcentra island.

Century Club Begins Second Year

Once again, all who contribute \$100 or more to Michigan Christian College during the calendar year will receive a beautiful print of the Artist of the Year painting. Prints will be mailed or delivered during the spring of 1983 to all those whose contributions to MCC in 1982 total \$100 or more.

Heritage Club Charter Members Honored

The first dinner meeting of the MCC Heritage Club also took place during Lectureship Week. All who have remembered Michigan Christian College in their estate planning and have notified the school of their intentions were honored during the occasion. President Milton B. Fletcher presented each family with a plaque recognizing them as charter members of the Michigan Christian College Heritage Club. J. Robert Utley, Chairman of the MCC Board of Trustees, addressed the gathering.

Board of Trustees Conducts Annual Meeting

Just prior to the official opening of Lectureship activities, the Michigan Christian College Board of Trustees and their spouses were guests at the annual Board Luncheon Monday afternoon. William Hooten addressed the group. Following the luncheon, board members gathered in the Bible Room for their annual meeting and many were present for the week's lectures.

MCC Warriors Boast 4-1 Record

Players on the 1982-83 Warriors basketball squad include: Ricky Brown #25; Noel Roberts #22; Kenneth Carson #10; Darrell Hill #54; Barry Wheeler #15; Milton Watkins #33; Mark Carney #11; Mike Tatomir #21; Kevin Henson #24; Tom Johnson #42; Lonnie Fuller #44; Wayne Harris #32; Tony Rana #55; and Al Bugg #52. Also pictured with the team are Clint Pleasant, President Milton B. Fletcher, Head Coach Garth Pleasant, Vice President Bill Fowler, Manager Carson Mathis, and Statistician Gary Palmer.

Closing out the first segment of the 1982-83 basketball season, the Michigan Christian College Warriors boasted a 4-1 record.

Both the home and away season openers proved to be successes for the Warriors as they chalked up victories over William Tyndale College and the University of Windsor. In the November 23 game against Tyndale, MCC scored the first basket and kept widening the gap as the Warrior lead continued to a 77-46 decision. Leading scorer in the contest was Ricky Brown, pacing the team with 23 points and pulling down six rebounds. Lonnie Fuller led the team in rebounding with nine and was second high scorer with 13 points for the night.

One week later, the Warriors routed the University of Windsor with a 114-59 score. Lonnie Fuller led the attack with 23 points, while Milton Watkins and Noel Roberts each added 15 and 14 points.

December 3 and 4 took the Warriors to Searcy, Arkansas for the Junior College Tournament, hosted by Harding University. Despite Ricky Brown's

31 point performance, the Warriors recorded the season's only loss as they finished the game against York College with a 99-88 score. Noel Roberts contributed 16 points to the effort. The Warriors then went on in tournament action to defeat Ohio Valley College 96-80. Ricky Brown with 25 points, Lonnie Fuller with 20, and Noel Roberts with 16 led the scoring effort.

Ricky Brown was awarded a trophy and named to the all-tournament team. The Georgia sophomore plays both center and forward for the Warriors. Last year, he received the West Taphin Award as an outstanding MCC basketball player.

Great Lakes Bible College dominated first half action as the Warriors faced the opponent in Lansing, December 11. GLBC led by eight points with just one minute left on the clock in the first half when MCC rallied. Mike Tatomir pulled down an offensive rebound and put it in to tie it up 41-41 with three seconds to go in the first half. MCC dominated the second half with good ball control and defense. The final tally gave MCC an 18 point advantage, 81-63. Ricky Brown, Noel Roberts, and Lonnie Fuller again took scoring honors.

Coach Garth Pleasant has announced that the team roster for the 1982-83 season includes returning players Ricky Brown of Statenville, Georgia; Darrell Hill of Pontiac, Michigan; Tom Johnson of Fort Wayne, Indiana; Mike Tatomir of Troy, Michigan; and Barry Wheeler of Flint, Michigan. Freshmen team members include: Al Bugg of Troy, Michigan; Mark Carney of Pontiac, Michigan; Kenneth Carson of Detroit, Michigan; Lonnie Fuller of Oak Park, Michigan; Wayne Harris of St. Johns, Antigua; Kevin Henson of Flint, Michigan; Tony Rana of Clarkston, Michigan; Noel Roberts of St. Johns, Antigua; and Milton Watkins of Detroit, Michigan.
