NEWS BULLETIN OF MICHIGAN CHRISTIAN COLLEGE

VOLUME 32 NUMBER 1 FALL 1990

Students enjoy an old-fashioned A&W treat at one of the Rochester area's newer restaurants.

College's hometown tops list of fastest growing communities in state

Former students of Michigan Christian College often comment on their inability to recognize the Rochester community after being away for a few years. Over the past decade, that perception has grown along with the population of Rochester Hills, which has increased 51% from 40,704 to 61,523 residents.

The numerical growth of Rochester Hills over the past ten years surpassed that of every other community in southeast Michigan, according to preliminary 1990 population figures of the U.S. Census Bureau. An official from the Michigan Department of Management and Budget could find no other community in the state that has posted a growth figure anywhere near that of Rochester Hills.

The growth of Rochester Hills has impacted the Michigan Christian College community in a substantial way. Unprecedented commercial growth has provided MCC students with limitless opportunities for part-time jobs and internships. The same unique mixture of country charm and modern development that has attracted thou-

sands to Rochester Hills has provided similar benefits to college employees and students alike.

The choice of restaurants in the Rochester community has grown from less than six during the 1960's to over sixty in 1990. Downtown Rochester has retained a vibrant business district, while three enclosed shopping malls and nine shopping centers have popped up around the city.

Twenty-three screens in three complexes now serve moviegoers in place of the old Hills Theater of downtown Rochester. The city has developed a reputation for the internationally acclaimed Meadow Brook Theatre and Music Festival and for such events as the Art 'n Apples Festival.

In an interview with the *Rochester Clarion*, City Community Relations Officer James Schmidt stated that "the city had anticipated a population increase but had not expected it to occur as rapidly as it did." Rochester Hills ended the decade closer to its optimal population of 75,000. Not only has it emerged as an affluent, residential community, but as an ideal college community as well.

General Motors begins matching employee gifts

Michigan Christian College recently received its first matching gift check from the General Motors Corporation. For years, matching gift companies have provided a substantial portion of the gift income needed to balance the college's annual operating budget. General Motors is a welcome addition to the list of participating companies.

Like other matching gift companies, General Motors enables donors to make contributions to MCC and have those gifts matched by the company. General Motors now matches contributions of all full-time, active employees, whether hourly or salaried. They consider MCC as an eligible institution for matching gifts since the college now offers four-year degree programs and is accredited by the North Central Association.

Contributions of General Motors employees are matched on a dollar for dollar basis. The minimum annual contribution by an individual that may be matched by General Motors is \$100. The maximum annual contribution that may be matched is \$5,000.

To have gifts matched, General Motors employees follow the same procedure used by most matching companies. The

employee obtains a matching gift form from their personnel office, completes the form, and sends it to the college. The college certifies the form and sends it on to the company.

To learn if your employer will match contributions to MCC, please check the list provided on pages 4 and 5.

Fall Festival guests assist the scholarship program with Bookstore purchases. See page 2.

Your Bookstore purchases help provide student scholarships

Dear Friends:

The MCC Bookstore is one of the services that the college makes available to the church of the great Midwest. The official mission of Michigan Christian College is to serve students, their families, the congregations of the Midwest, and our community.

During the fiscal year ended May 31, 1990, the gross sales from the MCC Bookstore amounted to almost \$300,000. Many years ago, a policy was adopted whereby the Bookstore profits would be dedicated toward helping fund the academic scholarships awarded to students. As of May 31, we transferred \$40,000 from 1989-90 Bookstore profit to the Academic Scholarship Fund. In that way, all customers of the Bookstore directly extended financial aid to deserving students. We like that concept!

A majority of the sales in the Bookstore are to congregations for Bible class literature. Congregations are able to get those materials from the MCC Bookstore at the same price as from any other store or publisher. When doing business with the MCC Bookstore, however, the congregation is directly benefiting good students.

May we encourage every congregation in the Midwest to contact the MCC Bookstore for supplies and materials. For those in Michigan, please call our toll-free number, 1-800-872-2579. For congregations outside of Michigan, please use our toll-free number, 1-800-521-6010.

Thanks for the past business that many of you have given our Bookstore. Thanks also for future opportunities to serve the congregations of the great Midwest.

Very Sincerely,

Milton B. Fletcher
President

Does your congregation use Bible class literature?

During the 1989-90 academic year, those congregations listed below extended their commitment to Christian education from their Bible class program into the college classroom by purchasing graded Bible class literature from the MCC Bookstore on a regular quarterly basis. If your congregation uses graded literature and is not listed, encourage the person who orders your material to begin using the MCC Bookstore!

Baker publishes book by former MCC student

Baker Book House recently released a new book, *Glimpses of Grace*, by Rosemary Upton, a graduate of Michigan Christian College. In her book, Rosemary relives her mother's progressive deterioration from Alzheimer's disease. She shares the emotional pressures placed upon her family and how they coped with the difficulties.

Rosemary Upton

An *Oakland Press* review described Rosemary's book as a "compassionate look at a modern-day traumatic disease." It also stated, "Biblical quotes illustrate her Christian faith as well as her studies at Michigan Christian College."

Entering MCC at age 42, Rosemary only planned to take a few Bible courses. However, she graduated as co-salutatorian of the class of 1979. Since her studies at MCC coincided with many of the events detailed in her book, the college is often mentioned in the text.

In her book, Rosemary shared her earlier lack of interest in taking a required

government course at MCC. More recently she has become so involved in social issues that the Republican Party placed her name on the November ballot for the Florida State House of Representatives.

Rosemary's book is available from the MCC Bookstore. She may be reached at 1420 North Atlantic, #803, Daytona Beach, FL 32118.

Mid-Michigan region hosts first Partnership Dinner on September 14

Partnership Dinner traditions have blessed Michigan Christian College and the church for nineteen years. Christians in the mid-Michigan region gave birth to their own Partnership Dinner tradition on September 14, 1990, when they hosted their first annual dinner.

Challenged by a proposal for a campaign in the mid-Michigan area, a steering committee of eighteen couples began meeting last winter to make plans for a dinner. The committee held its first planning session on February 11 in Midland, a second meeting in Clare on May 14, and a final goal-setting session in Houghton Lake on August 12.

Once the actual dinner date of September 14 arrived, enthusiastic representatives of fourteen congregations met at the Doherty Motor Hotel in Clare,

Michigan, for the \$50 per plate dinner. Jim Bill McInteer of Nashville, Tennessee, served as guest speaker for the event and the Tumbleweeds of MCC provided entertainment.

Congregations participating in the campaign and the number of tickets sold by each included Akron (7), Atlanta (21), Cadillac (1), Caro (2), Gladwin (27), Grayling (6), Houghton Lake (6), Lapeer (1), Ludington (7), Midland (13), Mount Pleasant (33), Oscoda (4), Shepherd (5), and West Branch (32).

The first Partnership Dinner took place in the college gymnasium in 1972. Since that time, annual Partnership Dinner campaigns have developed in Detroit, Chicago, and Western Michigan. Planners of Partnership Dinner Mid-Michigan have scheduled September 13, 1991 for their second dinner.

Youth Leaders from twenty-nine congregations gathered on September 8 at the Rochester Church of Christ for the Michigan Christian College Youth Leaders Workshop. The event drew seventy-one participants, the largest attendance since the workshop began in 1980.

Workshop guests concentrated on a theme of *Jesus and His Word*. Buck Dozier, former Family Life Minister of the Madison Church of Christ and new President of Nashville Christian Schools, served as keynote speaker. Russ Bone of Dearborn Heights, Michigan; Jerry Brackney of Michigan Christian Youth Camp; Mark Frost of Trenton, Michigan; Al Morningstar of Grand Rapids, Michigan; and Jim Whidden of Naperville, Illinois led discussion sessions.

Golf Classics held in three states

Golf Classics hosted by Michigan Christian College in Ohio, Michigan, and Illinois highlighted the summer months for many friends of the college. After a full day of golf, each of the classics ended with a banquet and awards program. The events provided an excellent opportunity for fellowship with other Christian golfers.

Pleasant Hills Golf Course in Middletown, Ohio, served as the site for the 3rd Annual Cincinnati/Dayton Golf Classic on June 9. Twenty individuals participated in Regular Tourna-

ment Play. Bob Davison, Milton B. Fletcher, Tim Pittman, and Grady Smith served on the Planning Committee. Golfers will return to Pleasant Hills on June 1, 1991 for the next Cincinnati/Dayton Classic.

On July 28, MCC hosted the 10th Annual Detroit Area Golf Classic at the Oak Pointe Golf Club in Brighton, Michigan. Sixty-four golfers played Scramble and another sixty-two participated in Regular Tournament Play. Planning Committee members included Bob Cucheran, Milton B. Fletcher,

Peg Fowler, Duane Harrison, Dennis Saulsberry, Bill Shinsky, Jerry Tallman, and Rick Watson. Oak Pointe will again serve as the location for the next Detroit Area Classic on July 27, 1991.

Twenty-nine golfers played Scramble at the 3rd Annual Chicagoland Golf Classic on August 3. Les Burkett, Milton B. Fletcher, Bennie Smith, Vince Swinney, and Don Whetstone planned the event. Participants will return to the Cog Hill Golf and Country Club in Lemont, Illinois, for the next Chicagoland Golf Classic on August 2, 1991.

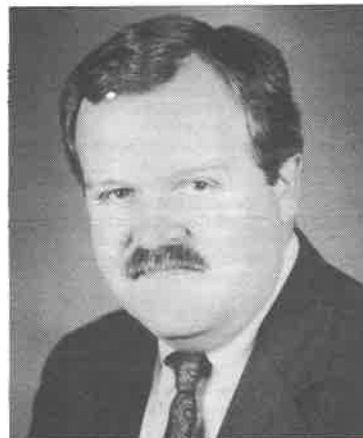

Golfers interested in participating in any of the Golf Classics should contact the Office of the President at Michigan Christian College by phoning (313) 651-5800. New participants are welcome!

MCC Board of Trustees adds two new members

Michigan Christian College's Board of Trustees elected two new members at their last quarterly meeting, Larry Bridgesmith of Nashville, Tennessee, and Jack Duty of Clawson, Michigan.

Larry Bridgesmith, a 1968 graduate of Michigan Christian College, is a Managing Partner of Constangy, Brooks, and Smith, a law firm in Nashville. He also serves as an elder of the Madison Church of Christ.

In his long association with the college, Larry Bridgesmith has served as President of the Alumni Association and as a member of the Steering Committee for the Nashville Annual Fund Dinner. He was chosen as *Mr. MCC* by his classmates in 1968 and as *Alumnus of the Year* in 1987.

Commenting on his work with the Board, Larry Bridgesmith stated, "At MCC I met my wife and, in a very real sense, my Lord. I owe a debt of gratitude to future generations of MCC students to insure that

these two richest of blessings continue to be available."

Jack Duty, minister for the Clawson Church of Christ, preached in both Ohio and West Virginia before moving to Michigan in 1976. He has served as President and Director of Northeastern Ohio Youth Camp and is now the Co-Executive Director of the Blue Ridge Encampment.

Jack Duty has taught selected classes at MCC and has spoken for the Lectureship and several special workshops. After directing the MCC Phone-a-Visit last fall on a volunteer basis, he was named an Honorary Alumnus of MCC.

Expressing his excitement in working with the Board, Jack Duty commented, "MCC has served my family richly, in that our daughters are graduates and both met their husbands there. I believe being a member of the Board of Trustees will provide me an opportunity to give something back to this great school."

Charles Young readies for a putt at the Detroit Golf Classic.

Sunshine boosts Festival attendance

Perfect weather conditions on September 8 provided an ideal day for the annual Associates Fall Festival. In contrast to the number that braved soggy grounds for the 1989 festival, a much larger crowd visited campus for this year's event.

Participants operated a total of fifty-three booths on festival day. Chapters receiving first place ribbons for decoration of booths included Ypsilanti in the food tent, Livonia in the crafts tent, Macomb in the outside area, and Ypsilanti in the children's area.

During a noon ceremony, festival chairman Benita Ward introduced the queen candidates, Portia Anderson of the Oakland Chapter, Ernestine Rathbun of the Pontiac Chapter, and Karen Watson of the Echo Meadows Chapter. Queen candidates and their supporters raised a total of \$19,371 in queen's votes prior to festival day.

Throughout the summer months, local chapters had sponsored dozens of projects on behalf of the queen candidates. Each dollar represented a vote for a particular candidate. Karen Watson accumulated the most votes and was crowned Fall Festival Queen.

The Beautiful Babies Contest collected \$678 in votes for baby pictures. Joan Long, Festival Co-chairman, announced that Kristan Smith of Toledo took

first place, Ciara Gilliland of Kent, Ohio, second, and Rachel Sorenson of Dearborn third.

While hundreds participated in the Fall Festival activities on campus, other volunteers staffed the mobile kitchen at the annual Rochester Art 'n Apples Festival. During this event, the Associates raised \$2,600, half of which was applied to Fall Festival proceeds.

Combining income from the queen contest with that of the actual festival day, the Associates have collected about \$32,000 as a result of the annual event.

Annual Fund Dinner Update

Summer Annual Fund Dinners provided an opportunity for friends of Michigan Christian College to gather and provide further support for the college. In addition to a program by Autumn at each of the dinners, President Milton B. Fletcher updated guests on progress of the college.

DAYTON

Herchel McKamey served as speaker for fifty-two individuals who attended the 7th Dayton Annual Fund Dinner on June 8.

CINCINNATI

Forty-five attended the 8th Cincinnati Annual Fund Dinner on June 9. Herchel McKamey also spoke at this event.

DALLAS/FORT WORTH

Twenty-nine friends of the college gathered at the Wyatt Cafeteria in Irving for the 6th Dallas/Fort Worth Annual Fund Dinner on June 24.

ABILENE

Dr. Walter Adams, Academic Dean Emeritus of Abilene Christian University, spoke to sixty-eight guests of the 9th Abilene Annual Fund Dinner on June 25.

Retreat participants count flowers in front of Campus Center.

Associates host third annual campus retreat

Associates from several chapters traveled to campus on August 10 for the 3rd Annual Associates for Christian Education Retreat. Upon arrival, guests moved into the Alma Gatewood Residence Hall, assigned to rooms according to prior requests for either the "quiet floor" or the "rowdy floor." Immediately, the dorm, which had stood quiet during the summer months, began to buzz with life.

Friday evening's agenda began with a scavenger hunt for campus trivia, in which teams counted everything from flow-

ers to bricks. The planned program closed with refreshments and a devotional. Later in the evening, a few residents of the "rowdy floor" left the dorm to decorate the houses of friends with bathroom tissue!

Saturday's program began with a breakfast, arranged by Betty Jane Tutor. After a devotional, Margaret Hadfield and Ginny May shared with the group the impact that MCC has had on their individual families. The program closed with a round-table discussion about projects that various chapters have found successful.

Positive changes enhance opening of 32nd year

Changes in the campus food service and the mode of transportation for traveling groups caught the attention of students as they began arriving on campus for the fall semester. Those changes sparked an extra degree of enthusiasm among students as they began the thirty-second academic year of Michigan Christian College.

Since 1962, the college has contracted independent companies to operate the campus food service. During the summer, the administration decided to operate the food service in-house and employed David Tallman as Food Service Director. They set a goal of improving the quality of the food service, while containing costs.

David Tallman brought with him his experience in several five-star restaurants, including the St. Moritz Hotel in New York City and the London Chop House in Detroit. In his most recent assignment, he worked as Head Chef of the Double Eagle Restaurant in Troy.

Since 1980, athletic teams, the chorus, and various other student groups have traveled throughout the country in a 1963 diesel bus. Although the bus has provided dependable service for a decade, recent needs for major repairs and increased difficulty in obtaining parts made further investment in the bus impractical. After a

Course selections are discussed at registration by Dean Knight and freshman Callie Feltner.

considerable search, the college located and purchased a newer bus, which seats forty-seven passengers. The bus arrived on time for the opening of the new academic year.

Residence halls officially opened on September 1. After three days of orientation and registration, classes began on September 5. By the close of late registration, enrollment

figures had increased slightly over the previous year by a margin of three percent.

Adding a new dimension to the student body, the college enrolled its first seniors in the Counseling major of the Bachelor of Religious Education degree. The college began offering the Counseling major last fall for those students desiring a background in person-

al, marriage and family, or child counseling.
