You are invited
to join the
**President's
Circle**
of
Rochester
College

You are Invited to Join the President's Circle of Rochester College!

What is the President's Circle?

The President's Circle is an informally organized group of individuals, businesses, and foundations who believe wholeheartedly in Christian education, and who are deeply committed to Rochester College. They express their conviction by a gift of at least \$1,000 during the calendar year. Members of the President's Circle are extremely important to the stability and growth of the college.

What do members of the President's Circle do?

As enthusiastic supporters of Rochester College, the men and women of the President's Circle continually encourage growth and development of the college, both financially and spiritually.

At every opportunity, members of the President's Circle assume leadership roles in various volunteer groups. They invest time, offer advice, shape public feelings, suggest improvements in procedures and methods, and encourage students to attend Rochester College.

How long has the President's Circle been in existence?

The President's Circle was formally organized in 1981. Even before that time, however, each of the presidents of Rochester College has had a select group of individuals to turn to for advice and an

extra measure of financial support. Without fanfare, these good people have worked quietly, behind the scenes, for many years.

What are the goals of members of the President's Circle?

1. To assure continued development of Rochester College as a quality liberal arts institution of learning.
2. To promote excellence in all academic programs at Rochester College.
3. To encourage Rochester College personnel as they teach students to make life's tough decisions within a context of faith.
4. To enhance the learning environment at Rochester College by funding adequate maintenance of existing facilities.
5. To strengthen God's kingdom.

What are the benefits of becoming a member of the President's Circle?

Generally intangible and extremely fulfilling are the best words to describe the greatest benefits of being a member of the President's Circle.

Few of life's pleasures are finer than knowing that one has played a significant role in changing lives and building character in young people. No one has more influence on the world of tomorrow than those who shape the lives of the youth of today.

Through Rochester College, members of the President's Circle touch hundreds of students. Homes are better, lives are happier, and souls are given to God because of their faithful participation.

Each fall, all members of the previous year's President's Circle are invited by the president to an annual dinner to honor this distinguished group of supporters. This special evening allows members to meet and greet others who are deeply committed to developing a strong four-year Christian college in the North.

How do I become a member of the President's Circle?

Gifts to all giving programs at Rochester College apply toward President's Circle membership. Gifts must total at least \$1,000 by December 31 of a given calendar year to qualify one for annual membership. Those giving at higher levels also are designated as members of the Visionary Society, Torch Alliance, Challenge Alliance, or Trustee's Alliance.
