What are College Life Preview Days?

These days are set aside for high school students interested in attending Rochester College to visit the campus. College Life Preview Days are designed to give you and/or your parents a full range of experiences of campus life at Rochester College. These days are more structured than individual campus visits but do allow some flexibility in the schedule.

Concert Series

The College Life Preview Days are on Fridays and are scheduled in conjunction with our Concert Series. The Rochester College Concert Series features local, regional and national Christian bands and artists. Last year Smalltown Poets officially kicked off our Concert Series and this year our opening groups are Earthsuit and fishersNet. Additional groups scheduled to perform this year are Over the Rhine, Five O'Clock People and Shane Barnard. If you attend the College Life Preview Day event, you are welcome to attend the concert as our guest.

Please indicate that you want to attend the concert when you call or check the box on the online registration.
