

We invite you to explore & experience Rochester College

EXPERIENCE

"Growing up I always wanted to attend Rochester College, but for me the campus visit sealed the deal. Being able to experience an average day of college life really helped put into perspective what I had to expect, and the people here just won me over. It's an energetic environment with the encouraging aspect of being surrounded by Christians, and I couldn't think of a better fit for me."

- Miranda Berry

Miranda's reaction is like that of most students who visit our campus. The campus visit is often cited as the single most important factor when deciding to attend Rochester College. You've heard *a picture is worth a thousand words*—well, we could send you a thousand postcards and still never be able to fully capture the Rochester College "experience."

We are here to help you and your family prepare for and organize your college decision-making process. We offer two visitation options. You can choose to attend one of our College Life Preview Days, which are designed to highlight all areas of campus life, or you can choose an individual visit, which we will tailor to meet your specific needs.
