WARRIOR DAY

Our unique take on a campus visit
with ON-SITE ADMISSION*

OCT. 25 & NOV. 15, 2019 // FEB. 28, MARCH 27 & APRIL 17, 2020

Being on campus and experiencing our community first-hand is the best way to decide if RU is right for you. *Students who would like to be admitted on-site must bring an official copy of their high school transcript, as well as their ACT or SAT score report.

💡 *Prefer something more one-on-one? Talk to your recruiter about a personalized visit.*

A NOTE FROM THE PRESIDENT

We see you as a person created in the image of God. You're not just a name on a class roster or a number on an assessment report. You are a human being who belongs here!

We want you to come to RU to start discovering your life purpose and to envision how that purpose unfolds in your work life. Then, as you continue in these pursuits, we hope you will explore how all of those discoveries coincide with what God is doing in the world. We'll help you take your gifts and capabilities and use them productively for yourself and for your future. Equally important, we want you to use your degree to positively impact lives, communities and the world.

This approach to your future can also be described as "vocation." I encourage you to start thinking "vocation" in addition to "career." Why? Because employers are looking for individuals who have this holistic vision and who bring big-picture thinking and integrity to the workplace—every day.

Thus, our ultimate goal is to set you on a path where you have a vocation that allows you to support yourself and your family, brings positive energy to the workforce, and helps improve our world.

ABOUT **RU EARLY COLLEGE**

The intent of the Early College program is to tailor high school plans to suit the needs of students, who will complete high school and/or college credits according to their EDP/ILP plans in pursuit of Associate of Arts or Associate of Science degrees.

Students will be able to earn post-secondary credit at RU while simultaneously earning high school credit. High school and/or college credit will be awarded to students upon earning a passing grade in the respective class at the time of completion.

Students in grade 13 (year 5) will complete their final high school graduation requirement simultaneously as they complete the associate degree.

Successful participation in the program will depend on the ability to coordinate the high school/college schedule. Completion of the program will depend on student motivation, maturity and time management skills (among other factors).

EARLY COLLEGE PARTNERSHIP SCHOLARSHIP

RU will encourage the continuation of a successful college experience for enrolled students by offering the **Early College Partnership Scholarship**. Every RU early college graduate who completes an associate degree with a 3.0 cumulative GPA will receive a scholarship in the amount of \$7,500 per full-time academic year at RU. This scholarship will be effective up to four years from the date of college enrollment as a residential student in pursuit of a baccalaureate degree, provided a 3.0 CGPA is maintained. The amount will be higher if the student qualifies for additional scholarships within the college's scholarship matrix. With similar requirements, non-residential full-time students may be eligible for a \$3,750 **Early College Partnership Scholarship**.
