

To DALNET members:

The DALNET Collection Development Committee is compiling a list of on-line databases to which member libraries subscribe. We are also interested in knowing if subscriptions to the databases are brokered through the Michigan Library Consortium. Each member library will get a copy of the list when it is compiled. Please return the survey to Mary Anne Nagler (OCC) by fax or mail by Friday, December 17, 1999. Thank you in advance for your time.
