CAMPUS

Dear Mary:

Thank you for your work as chair of the DALNET Web Site Committee. I know the early months on this project were frustrating for both you and your committee and I appreciate your willingness to stick with this process as DALNET evolved. The positive feedback we have received on the "new" Web Site reflects on your efforts to help DALNET introduce the new look for its Web Site.

I am sorry you had to resign from the committee due to your job change. It has been a pleasure to work with you on this project and I look forward to continuing to work with you in your new capacity at Wayne State University.

Sincerely,

Scott P. Muir
DALNET Project Lead
