

**Horizon Assessment Topics
(for Library staff)**

Horizon Module: _____

1. What works well in this Horizon module?
2. What functions or features are missing in Horizon that you need?
3. Describe how Horizon has impacted your productivity.
4. Describe what you can do with Horizon that you couldn't do before.
5. How well does the Horizon documentation—from *epixtech*, DALNET, and WSU—work for you?
6. What additional training would you like to have for Horizon?
7. What are the top three Horizon improvements you would like to see?
8. What other comments would you like to make about Horizon?
