

IHDC PROJECT EVALUATION GRID

(Draft: March 2001)

	1.	2.	3.	4.	5.
SUBJECT:					
<i>Stated Goal?</i>					
<i>Has Detroit/SE MI connection?</i>					
<i>Has special DALNET significance?</i>					
<i>Are there similar Competing projects elsewhere?</i>					
<i>Has intrinsic research value?</i>					
<i>No. of potential users?</i>					
<i>Location of potential users?</i>					
<i>Is a growing collection?</i>					
<i>If so are there plans for updating and maintenance?</i>					
<i>Digitize in phases?</i>					
<i>Has focus of Special interest?</i>					
DEVELOPMENT					
<i>Project is already underway?</i>					
<i>Collection is already organized?</i>					
<i>Has extant metadata?</i>					
<i>Requires special expertise/equipment?</i>					
<i>Requires equipment not now available to DALNET?</i>					
<i>Timing?</i>					

FINANCING					
<i>Current funding?</i>					
<i>Grant potential?</i>					
<i>Cooperative potential?</i>					
LEGAL ISSUES					
<i>Rights (copyright, etc.) issues resolved?</i>					
<i>Software licensing issues?</i>					
<i>Access restrictions?</i>					

<i>Use Charges?</i>					
<i>Sponsor = DALNET member?</i>					
ENHANCEMENT/ PRESERVATION ISSUES					
<i>Digitization will increase access to important material?</i>					
<i>Will create new audience?</i>					
<i>Will extant technology work for viewing/preservation goals?</i>					
<i>Won't harm source materials?</i>					
TECHNICAL FEASIBILITY					
<i>Fits available infrastructure?</i>					
<i>Staffing adequate to support project?</i>					
<i>Potential prototype database ?</i>					
<i>Does plan require outsourcing?</i>					
<i>Is resulting resource portable?</i>					
<i>File size/format acceptable for ease of use?</i>					
<i>Metadata plan compatible with DALNTt standards?</i>
