George Libbey
Associate Dean for Public Services
University of Detroit Mercy

Dear George:

Thank you so much for your participation on the DALNET Steering Committee. Your willingness to step in and represent the University of Detroit Mercy following Mary Ann Sheble's move was greatly appreciated. It gave the Steering Committee some much-needed continuity from DALNET's first member site to convert to Horizon.

Beyond your participation as a representative of UDM, I appreciate your contributions to big picture issues and the insights and experience you brought to this committee. You have been an asset to the Steering Committee and will be missed.

I look forward to future opportunities to work with you.

Sincerely
