## BY CAMPUS

### TOTAL, UNDUPLICATED HEADCOUNT AND CREDIT HOURS

Note: Unduplicated headcount overall includes all students registered and taking courses at Oakland Community College. Students may take courses at more than one campus, meaning the number of students recorded by campus will not add up to the total. FTE and Average Credit Load are provided college-wide only because the figures by campus are not accurate reflections of true FTE and Credit Load.

<b>TOTAL</b>	<b>508</b>

- The best indication we have of to where OCC graduates transfer is their self-reported response to what post-secondary educational facility they currently attend from the OCC Graduate Follow-up Survey.
- The top six transfer institutions are Oakland, Wayne, Eastern, Walsh, OCC and U of M Dearborn. Together, these six institutions represent approximately 75% of the total number of OCC graduates who transferred in academic year 1998-99.
- This academic year also represents the second year the University of Phoenix has made the list of the top fifteen transfer institutions, drawing a greater number of students than Lawrence Technological University, Western, and Michigan State.
